We would like to thank you for your support of the Crossroads Center for Children annual Gala, "The Many faces of Autism". We appreciate your commitment in helping make this year's Gala a true success.

Every day Crossroads Center for Children works towards enhancing the lives of children with autism. Our annual Gala helps us to raise money in order to continue and progress in our mission of helping children with autism and their families in our community. We do this through fundraising, public awareness, education, community support and research related to autism.

Your donation towards our Gala fundraiser helped our children grow closer to their goals.

Without your community help it would not be possible.

Thank you on behalf of Crossroads and all the children and families that we serve. Your generosity is greatly appreciated.

Sincerely,

*Kelly Young
